

# GEN. BULLER MAY HAVE TO RESIGN.

HIS LADYSMITH CONFESSION RAISES A STORM.

Likely Also to Lose King's Favor and Miss Elevation to Peerage.

LONDON, Oct. 11.—The storm raised by Gen. Buller's remarkable outburst yesterday afternoon in a speech on the situation in South Africa, in which he complained of the general criticism, especially of the newspaper criticisms of himself, continues to grow.

The speech is the one topic of discussion, and there is general anticipation that disciplinary measures will follow unless Gen. Buller himself takes the advice of such a conservative supporter of the Government as the Standard and resigns.

The tone of the press is generally one of amazement at his indiscretions. The people of England have generally stuck to him throughout, and his own and his wife's social influence has been the most powerful, and has even reached the court.

It had been decided that he would be elevated to the peerage on the next honor list, but it is now doubtful if, after yesterday's confession that he advised the surrender of Ladysmith, "a humiliation compared with which," as the Standard says, "all other reverses of the war would have been trivial," either the King or the people will continue to favor him.

# STRIKING GIRLS IN NEW BATTLE.

FIERCE FIGHT TO-DAY AND SECOND LEADER ARRESTED.

Williamsburg Wrapper-Makers Attack Manhattan Employees and Promise Trouble To-Night.

The battle between the 300 girls employed in the Cooper Wrapper Company's loft at Broadway and Hewes street, Williamsburg, and the 200 girls who are on strike there began again at 7 o'clock this morning.

It was as fierce as the one of last evening, which hung up the trolley cars for blocks, and eight of the new girls came tearfully and dilapidatedly back to Manhattan.

As the President of the strikers, Rose Miller, was in jail because of last night's fight, the Secretary, Rose Solomon, of No. 159 Boerum street, took her place as leader this morning and whipped one of the eight girls so severely that she was arrested also.

The dozen police on the scene took Miss Solomon away several times, but she invariably returned and started a new fight, and the police, who are under orders to avoid making arrests if possible, had to gather her in.

Her followers did not appear to be at all discouraged by her arrest, but screamed encouragement to her as she was taken to the Lee Avenue Police Station.

All the other new employees came to the factory in squads of twenty to thirty, and under police escort, so they got to work safely.

The strikers have a plan to follow them to-night after they separate for their homes, and as each striker will take a friend or two with her, some of the new comers are bound to have an exciting time.

# HER TO RICHES HELD FOR THEFT

"WILLIAM H. GIBSON" ADMITS BURGLARY CHARGE.

Nineteen-Year-Old Son of Wealthy New York Widow Arrested in Chicago.

CHICAGO, Oct. 11.—William H. Gibson, nineteen years old, was held for the bail upon the death of his mother to several hundred thousand dollars, is confined at the Town Hall police station on a charge of burglary.

The police admit that the name under which the prisoner is booked is a fictitious one, but they refuse to reveal any of the facts concerning his relatives.

It has been learned, however, that the boy's mother, who is a widow, is the owner of a mansion in New York, another in Los Angeles, where she now resides, and that for a time she lived in Chicago with her son in the most fashionable quarter of Hyde Park.

Gibson admits his guilt, and as a result of his confession most of the jewelry stolen has been recovered at a pawn shop.

# PROF GREENOUGH DEAD.

Member of Harvard Faculty and Best Known Latin Scholar.

(Special to The Evening World.) BOSTON, Oct. 11.—Prof. James B. Greenough, who occupied the Latin chair in Harvard, died at his residence in Cambridge, Mass., at 10 o'clock this morning. He was the best known Latin scholar and his text books are used all over the world.

Doctor's Cab Injures Woman. Mr. and Mrs. James Carr, who refused to give their address, were knocked down by a cab last night at Thirtieth street and Fifth avenue. Mrs. Carr was rendered unconscious and removed to her home in a carriage. Dr. Daniel Stimson, of No. 11 West Seventeenth street, was in the cab and rendered assistance to the couple.
